

## Editorial

Cricket is a global phenomenon, and it is no surprise Bangladeshi's from all walks of life based in small communities across UK are playing and enjoying the game. With this in mind, a group of Moulvibazaris decided to bring these groups under one umbrella and hence the formation of CPAM UK. It has been a challenging yet satisfying for these who dedicated tremendous amount of time to bring the organisation together, facing many obstacles due to geographical locations, nature of jobs and age groups.

A publication was a long-standing demand of CPAM UK members, to create a public record of contributions to encourage cricketers directly to one another. The proposal for a CPAM UK publication was made at the very last minute and I was asked to lead the project. As a senior cricketer I felt an imposing responsibility to work on and produce the first ever CPAM UK publication.

There are various aspects to consider when producing a publication - the concept, contents, design, information and editing. It takes months of planning and preparation to produce a publication such as this. Despite all obstacles, we have faced challenges and fight against time.

Despite the time constraints, we have put together a publication and I hope all the members will enjoy and be proud of. This publication outlines CPAM UK activities during the last three years, cricket history of Moulvibazar, and admiration of its well-wishers & promoters. It was not possible to consider all proposals and take all ideas on board due to time-frame and resources. Please accept my apology for any unintentional mistakes in this publication.

I would like to thank you all for trusting me with this project and I would also like to thank those who made it happen including well-wisher and promoters, without whom none this would be possible Nazmul Islam Biplop, Shahed Yunus, Elahi Pappu, Alamin Jibon, Chowdhury Raju, Wali Murad, Karim Rumel, Ab Juned, Manjur Murshed, Motlib Siddiqui and Ahmadur Rahman.

Finally, I would like to dedicate this publication to the cricketers of Moulvibazar, past and present.

## Greetings from President

Cricket Players Association of Moulvibazar UK was created to bring all the players of Moulvibazar living in UK into one circle. I am very proud to be a part of this. Sports has been an important part of my family, and cricket was always my first priority and passion when I was growing up. I always took interest in organising matches back then and will always do so in the future.

I would like to thank all the members, sponsors and associates of CPAM UK, without their support and enthusiasm CPAM UK will not have been where it is today. In the last 3 years CPAM UK have achieved a lot of success due to everyone's passion and drive to take part in everything we have managed to do.

In coming years CPAM UK, with support of our members and well wishers, will be bigger and better by achieving its targets.

**Abdus Salam**  
President  
CPAM UK

## Greetings from Secretary

The slogan of CPAM UK “PASSION BRINGS US TOGETHER” has literally just done that. It is the passion for cricket which has brought us from mere cricket lovers to cricket players again in UK. Cricket has been a major part of my childhood in Bangladesh, during my school life my friends and I formed a cricket team which I can proudly say is still renowned in Moulvibazar.

During my early years in UK, I really missed cricket in my life and gradually lost connection due to lack of communication and opportunity to involve myself in cricket. Then we were fortunate enough to be able to get together through social media. I was able to connect with my fellow cricket lovers from Moulvibazar in UK.

Through social media group we realised that although we were far away from Bangladesh our passion and enthusiasm for cricket was still alive in our hearts. We then formed Cricket Players Association of Moulvibazar UK. Once this started I truly felt that my childhood love and spirit for cricket has come alive again. We soon started playing in many tournaments throughout UK forming teams within the group, and in each game I felt as if I was playing back in Bangladesh.

I am delighted to say that CPAM UK has come a long way since we started and has progressed to become more successful with each year. We can also proudly say that CPAM UK as an organisation has become a model of success for others to follow.

I would like to finish off by thanking each and every member of CPAM UK and our sponsors and well-wishers across the UK and Bangladesh who have supported us to achieve the success we have today. I believe with our continuous passion and enthusiasm we will reach new heights.

Thank you

**Numan Ahmed Doel**  
Secretary  
CPAM UK

## Greetings from Founder Convener

Some enthusiastic and energetic cricket loving people of Moulvibazar living in the United Kingdom, came forward to do something for the future generation of the Bangladeshi Community born and brought up in the UK. We shared our opinion amongst ourselves and felt the necessity to constitute an organisation to keep our identity alive in this country.

Since the constitution of CPAM, we organised a number of events and tournaments successfully in different cities and towns all over the UK. We are getting a lot of support and assistance to run our activities. This type of support keeps us more enthusiastic and much more organised to make our pathway and achieve our goal. Our Bangladeshi community successfully contributes to the British sports arena. Alongside this our Bangla speaking youth actively participating in the sports activities and perform well by their outstanding sportsmanship. We are confident to uphold the achievement and involve more sports-loving people in our activities. We believe this will help us keep in connection with our roots and will be able to build a bridge between Bangladesh and the UK, as every Bangladeshi individuals act as a representative of our birth land.

I would like to thank all of our players, sports enthusiasts and the members and well wishers of our organisation. I am grateful for all of the other organisations, who are giving continuous support to bring success. I am ever grateful to all of the sponsors and the people and organisation who give us positive advice and support to run these activities.

Pray for us to continue our effort to bring a success in the coming days.

## Message

I am delighted to note the publication of a magazine by the Cricket Players Association of Moulvibazar (CPAM) in UK on occasion of CPAM UK Franchise T20 Cricket Tournament Season 3.

It is truly praiseworthy that CPAM has taken the initiative in organizing a cricket tournament in UK alongside their daily work. I take this opportunity to thank the officials of CPAM for upholding and promoting the spirit of cricket with a distinct Bangladeshi identity.

May the CPAM go from strength to strength and see continuous success.

Thank you.

## Message

### Message to all attendees

I am very happy to recognise the Cricket Players Association of Moulvibazar (CPAM UK) on the occasion of its annual awards and gala dinner.

As outlined in the Preamble to the Laws of Cricket, 'Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within the Spirit of Cricket.'

Cricket's fans are its lifeblood and it is heartening to see these values being promoted through CPAM UK.

Congratulations to all award winners and best wishes to everyone attending the gala dinner.

Yours in cricket,

## Message

First of all, may I offer the CPAM UK congratulations on another great season and wish you well ahead of this year's Gala Dinner.

2019 promises to be an unforgettable year for cricket in this country and we can't wait to welcome the Bangladesh team here for the ICC Cricket World Cup 2019.

I'm sure you will join us in continuing to work together to highlight that cricket is a game that brings people together.

As a governing body, we are working to ensure that our sport is reflective of modern communities across the country and show that cricket is a game for everyone.

## About us

Cricket Players' Association of Moulvibazar United Kingdom (CPAM UK) is a non-profitable alliance of British Bangladeshi cricketers, from the district of Moulvibazar. The association was originally formed in Bangladesh (2007), in order to promote, develop and protect the rights of cricketers. CPAM UK was thus formed in 2016 adhering to the same principles with the additional purpose of bringing various social media groups of ex-players together.

The primary objective of the association is to ensure the continuous development of cricketers and to preserve the rich heritage of our composite culture. The association also intends to organise related sporting activities and to promote the association, reaching out to all age groups in the UK.

In its current phase, the association has successfully held several tournaments across the UK, including: London, Birmingham, Bristol, Cardiff and Portsmouth. Furthermore, it has managed to arrange other sporting and charitable activities, providing aid to flood victims in Moulvibazar.

General members are the sole of the organisation and provide funding on yearly basis by registering with the organisation.

CPAMUK has a twenty-one-member management committee and seven-member advisory committee. The management committee is elected by the general members every two years from registered members.

### **Management Committee**

The Management committee meets on regular basis under the direction of the president in order to fulfil its remit of managing the affairs of the organisation. The operation of the Management committee is governed by the organisation constitution.

### **Advisory Committee**

Senior members of the organisation have been selected by the management committee to serve for two years. The purpose of this committee is to provide overall guidance and strategic direction for the organisation.

## The foundation of cricket in Moulvibazar

*Written by: Akhteruzzaman Quraishi (Neepu) and Suhel Ahmed Chowdhury [Ex-cricketers and Organisers]*

When requested by CPAM-UK to write something about the history of Moulvibazar Upazilla cricket, I was taken by surprise as I had left Moulvibazar to go abroad nearly 3 decades ago. My memories of that time had become blurry and for that reason I thought I'd better ask someone who could help me on that subject. Our accounts span up to 1990 as after that we had left Bangladesh for the UK. The secretary of the CPAM-UK, Numan Ahmed Doel advised me that he was more than happy for me to consult with a second person and jointly create a piece of writing. My childhood friend Suhel Ahmed Chowdhury, whose memory is a lot stronger than my own and who was very much like me in his time with cricket was the best person to refer with whilst writing this. Mr. Chowdhury and I have tried to present the history of Moulvibazar Upazilla cricket as accurately as possible according to our memory capacity. Even in our hundred attempts, there may be some mistakes or teams/individuals that we have missed out and for this we apologise in advance. It would be a good point to make that if there is anything that we have missed in our account then this can be added in the future.

Here we are focusing on the various clubs, organisers, umpires and commentators. These people played very important roles in officiating and organizing, but most importantly cricket was their main passion. In this episode we will concentrate more on the cricket organisers as opposed to the cricketers, however a future episode will be dedicated to the cricket players.

After liberation there was a scarce number of teams in Moulvibazar. Some of the teams that were active were known as: Kalimabad Crira Chakra, Eleven Stars, YCC, Friends, Young Pegasus, Mukthi Shena of Muslim Quarter, Old Hospital Road, Confidence and Unbeaten Eleven.

Let's begin with the Kalimabad Crira Chakra. This club was formally founded before 1978. Some of the key people were Anwar Akhter Chowdhury (Sheuli), Jalal Uddin Chowdhury (Zaheer), Ziaul Islam Khan (Rumen), Abul Kashem, Suhel Ahmed Chowdhury and among others.

One of the big names in Moulvibazar cricket was Eleven Stars. The club was originally founded for football but also became a big name in Moulvibazar cricket. The

main personalities for this club's cricket matters were the likes of the Late Humayun Bhai (Muslim Quarter), Sabbir Bhai, Sadiq Bhai, Shairu Bhai and the ever present Raihan Bhai.

Moving on to another well-known cricket club named 'Friends'. This club also greatly contributed to the cricket scene in Moulvibazar. Important names to mention who played an influential role in organising this club are late Joshim Bhai, Zakir Bhai, Jamshed Bhai, Babul Bhai, Young Pegasus cricket club was also another common name in Moulvibazar cricket. Some key names to point out who greatly helped organising this club are Nadu Bhai, Mukul Bhai Shammu Bhai, Flower Bhai and there are some others.

YCC also became a well-known cricket club locally at the time. Many local youngsters played cricket under the club. Humayun bhai (Shomsernagor Road) was one of the key people who ran the club.

Energetic youths from Muslim Quarter came together to create a club and became known as Mukthi Shena and like the other clubs became well known in Moulvibazar cricket. Some of the club officials included Ex Councillor Azmol Chowdhury, Liakot Bhai, Jamil Bhai, Late Lutfur Rahman Tarafder (Belal) and many others.

Old Hospital Cricket Club were a club that regularly practiced and played friendly games with each other in order to play against other local clubs. Faisal Chowdhury, currently living in Canada, led this club among others.

Some prominent cricket organisers formed a club in the mid-80s. The clubs name was called Weymas, the organisers names are Nazrul Bhai, Sadiq Bhai, Zakir Bhai and many others.

Confidence cricket club was founded in 1985 by Redwan Ahmed, Nizam Ahmed and Raihan Ahmed. The founding individual was Mahbub Isdani (Imran).

Late Badol Kanti Dev and others found a cricket club named Anondo Dara, originating from the Soyarpoor area.

The Unbeaten Eleven Cricket Club was established in 1990. Numan Ahmad Doel, the current councillor of Moulvibazar Pouroshoba Nahid Hossain, Imran Ibnur Hossain and Zubair Ahmed Shibli were some of the main organisers for this club.

There were a group of boys that had the ethnicity of British Bangladeshi. They lived in the UK but regularly went back to Bangladesh where they played cricket and tried their very best to help improve local cricket as much as they could. Their names were Ferdous Bari Bhai, Abdus Salam and Manjur Mushad.

Now, let's look at those who performed the most challenging task of the game. Umpires are always in the frontline of discussion and

at that time, hardworking individuals such as Late Abu Bhai, Ex Councillor Azmol Bhai, Liakoth Bhai, Late Bulbul Bhai, Harun Bhai, Shipu Qureshi Bhai, Bulu Bhai provided fantastic officiating allowing everybody to enjoy their game of cricket.

We would like to show our gratitude to the Moulvibazar Pouroshoba who provided us with the facilities to play our games such as maintaining the pitches and providing the equipment to do this. The Pouroshoba chairman's Late Alhaj Sajjadur Rahman (Putul) and Ex Honourable Minister Late Sayed Mohshin Ali were instrumental in this.

This gratitude also extends to the Moulvibazar District Sports Council for their support during this period, especially from Late Alhaj Komruzzaman and Alhaj Joynal Hussain.

A huge milestone for our District was the achievement of having an Under 19's team entered into the National Championship for the first time in 1990. This was Moulvibazars first opportunity to represent itself as a District team.

As mentioned at the beginning, this episode was mainly to recognise the community at the time however we have not gone into the specifics of any individual players. They of course were one of the biggest elements of the cricketing scene at that time however we also understand that there were so many individuals that we couldn't possibly cover all of them in this small edition. We hope that in the future we or someone else can touch on the subject of all of our players.

Last, but not least we were grateful enough to have commentators such as the Late Abu Bhai and Daniel sir Bulu Bhai who provided their insight into the games. There were also many other members of the community who provided their amazing support and members of other sports who also supported our games. Similarly, we cannot mention every single of them in this episode but we thank them all for their commitments and contributions to the game.

Since the independence of Bangladesh, a lot of people who were involved in Moulvibazar cricket have sadly passed away. A few have been mentioned here however there are many other who also contributed greatly to cricket and to them we extend our gratitude.

Finally, we are grateful to CPAM-UK for allowing us the opportunity to share our insight into cricket in Moulvibazar at that time. If the opportunity arises in the future, we will be delighted to write more about Moulvibazar cricket and share our experiences with you all.

*Some information was sourced from: Anwar Akhter Chowdhury (Sheuli) [A prominent cricket organizer and former cricketer of the district]*

## Season One

CPAM-UK in its first year (2016) dedicated all the teams in memory of former cricketers from Moulvibazar. In adverse weather condition in Birmingham the event was switched to a nearby indoor facility at short time. The determination of our members was such that a convenor committee was formed that evening to take the organisation forward.

I am very pleased to find that cricketers from Moulvibazar and British-Moulvibazari cricketers in UK came under one umbrella through an organisation CPAM-UK. I would like to thank management and members for their contribution and cooperation and it was an opportunity for me to support cricket community.

As well-wishers of CPAM-UK we need to ensure that we give them the opportunities to play cricket.

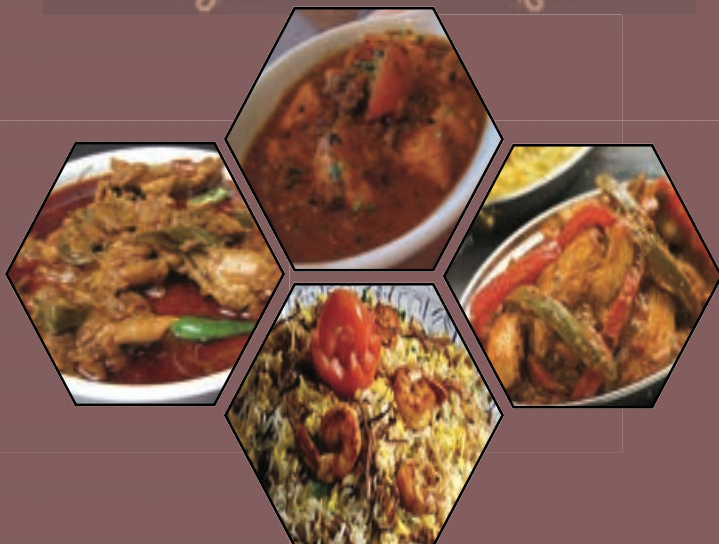

We need to keep young cricketers spirit alive because there are number of youngsters who love and worship cricket and have basically helped this game grow, and they are as important as anybody else.

I wish every success of CPAM-UK.
